

State of Alabama

Statistics for harassment as defined by the Student Harassment Prevention Act could not be separated from the overall School Incident Report from the 2010-2011 school year. Specific incidents of a continuous pattern of intentional behavior that takes place on school property, on a school bus, or at a school-sponsored function are included in these general categories. Currently, the number of specific incidents will be reported within these related categories. The 2011-2012 SIR report should allow for the identification of the specific incidents as defined in the Student Harassment Prevention Act.

Statistics for harassment as defined by the Student Harassment Prevention Act could not be separated from the overall School Incident Report from the 2010-2011 school year. Specific incidents of a continuous pattern of intentional behavior that takes place on school property, on a school bus, or at a school-sponsored function are included in these general categories. Currently, the number of specific incidents will be reported within these related categories. The 2011-2012 SIR report should allow for the identification of the specific incidents as defined in the Student Harassment Prevention Act.

Statistics for harassment as defined by the Student Harassment Prevention Act could not be separated from the overall School Incident Report from the 2010-2011 school year. Specific incidents of a continuous pattern of intentional behavior that takes place on school property, on a school bus, or at a school-sponsored function are included in these general categories. Currently, the number of specific incidents will be reported within these related categories. The 2011-2012 SIR report should allow for the identification of the specific incidents as defined in the Student Harassment Prevention Act.

Statistics for harassment as defined by the Student Harassment Prevention Act could not be separated from the overall School Incident Report from the 2010-2011 school year. Specific incidents of a continuous pattern of intentional behavior that takes place on school property, on a school bus, or at a school-sponsored function are included in these general categories. Currently, the number of specific incidents will be reported within these related categories. The 2011-2012 SIR report should allow for the identification of the specific incidents as defined in the Student Harassment Prevention Act.

State of Alabama

Statistics for harassment as defined by the Student Harassment Prevention Act could not be separated from the overall School Incident Report from the 2010-2011 school year. Specific incidents of a continuous pattern of intentional behavior that takes place on school property, on a school bus, or at a school-sponsored function are included in these general categories. Currently, the number of specific incidents will be reported within these related categories. The 2011-2012 SIR report should allow for the identification of the specific incidents as defined in the Student Harassment Prevention Act.
